

REACH OUT TO "BUBBLES"

Preeti Singh – Writing Naturally

Reaching out to working parents and putting their minds at rest is BUBBLES an enterprising Day care centre opened at Mansa Devi complex, Panchkula.

BUBBLES understand your emotional turmoil as you leave your bundles of joy when you step out for work. They are here to provide your little ones a safe, supportive, stimulating, and fun environment where they can blossom in their childhood.

BUBBLES constantly interacts with parents, updating them about the latest research based activities which shall help their child's growth while they are at work.

From infancy, to toddlers to mainstream students, it caters and passionately cares for each child providing them immediate medical facilities as well, if need be.

BUBBLES reaches out to corporate clients to provide a safe and growth oriented environment for their employees' children, thus enhancing the productivity of the employees at work.

BUBBLES leaves no stone unturned for chiselling the mental, physical, educational and emotional development of every child in its care.

BUBBLES reach out to all parents to visit as they open **BUBBLES Crèche and Day Care Centre for Rajiv Gandhi Technology Park, at 343, Sector 4, Mansa Devi Complex.**

Mr. Sanjay Tyagi, Additional Director & Centre Head – Software Technologies Parks of India, Ministry of Communication & Information Technology, Govt. of India., has graced the occasion as chief guest for the inaugural ceremony for the blossoming of BUBBLES.

Reach out to Bubbles at www.bubbles.co.in and allow them to take care of your worries by assuring the health and safety of your child, while you pursue your professional goals.
